Assumption of Risks: Participation in running and conditioning programs carries with it certain inherent risks that cannot be eliminated regardless of the care taken to avoid injuries. I know that running is a potentially hazardous activity and certify that I am in good health and physically fit to enter into a training program. I acknowledge that I am aware of the many risks involved in athletic training in general and running training specifically, which risks include by way of example and not limitation: 1) minor injuries such as scrapes, bruises, sprains, and strains, 2) more serious injuries such as joint, muscle and bone injuries, concussions and other head injuries, heat related injuries such as heat stroke and heat exhaustion, dehydration and over hydration conditions such as hyponatremia, and catastrophic injuries and conditions such as heart attacks and other conditions or injuries which could be fatal. I have read the previous paragraphs and I know, understand, and appreciate these and other risks that are inherent in training for and participating in road, trail, and track running and racing and any conditioning and cross training activities associated with that training. I hereby assert that my participation is voluntary and that I knowingly assume all such risks. _____ (Signature)
